

# Single Student Apartment Agreement

## Summer 2021

### Agreement between Occupant and Housing Services

All occupants of University-owned housing are required to sign licenses called apartment agreements. In signing your apartment agreement, you have agreed to be responsible for any damage or breakage occurring in your apartment beyond normal wear and tear and to maintain your apartment in a clean and orderly condition. The parties intend for this agreement to constitute a license for the use of an apartment space yet to be assigned by the University and further intend that this agreement will not constitute a lease and will not create or transfer an interest in or a lien upon real estate.

The assignment of a particular apartment by the University to you and your license of premises from Housing Services does not include the right to use such premises for any business or professional purposes, for storage of commodities for sale, or for any purpose other than personal residence.

The apartment agreement is an obligation *from July 1, 2020 through July 31, 2020* (the “agreement period”). Students who sign an apartment agreement for the same Housing Services apartment become co-occupants; each being individually liable for all financial obligations resulting from licensing fees, damages, and any fees that may apply as related to the occupation of a specific apartment unit. A student’s monthly licensing fee may change if the number of people occupying a particular apartment varies during the course of the agreement period.

***Apartment vacancies may be assigned by Housing Services as needed.*** Housing Services also reserves the right to reassign individuals to different apartments for any reason including (but not limited to): behavioral, community safety concerns, and completion of a maintenance project or renovation project.

Licensing fees begin on the date the apartment agreement commences. ***In cases involving early arrivals, licensing fees begin on the date the key to the apartment is picked up or access to the unit is provided.*** Failure to vacate by the end of the agreement period, or the termination date in case of termination of the agreement, will result in the apartment overnight rate of \$25.00 per person and additional 10% of the unit’s monthly licensing fee being charged, per night, through or until removal, and denial of further Housing Services assignments.

Occupants leaving the campus for an extended period are responsible for paying their licensing fees throughout the period of absence.

Guests who stay longer than five days total (not necessarily consecutively) in an agreement period are deemed to be occupants and will be expected to sign an apartment agreement and abide by the terms and conditions outlined in that document, provided the apartment does not exceed a one person per bedroom limit. Housing Services also reserves the right to terminate the apartment agreement of any occupant who willfully houses an individual NOT ON the apartment

agreement and/or charge the occupant full licensing fees for the apartment from the beginning date of the apartment agreement in addition to a penalty equal to one month's licensing fee.

### **Damage/Security Deposit**

The \$150.00 deposit required with each application for housing is a damage/security deposit and is not applicable as part of the licensing fees. Housing Services agrees to refund the \$150.00 damage/security deposit to the occupant following the completion or early termination of the agreement, provided no damage or cleaning charges are assessed, and no other amounts are due to the University. The damage/security deposit will be forfeited if this apartment agreement is cancelled or terminated prior to the occupant taking occupancy.

### **Debt Collection**

Unpaid licensing fees and charges for cleaning, damage to property, equipment, and furnishings are an obligation by the occupant to Housing Services. Washington State University's Registrar will not issue transcripts until full settlement has been made.

Any unpaid account balances will be sent to an outside collection agency and may be reported to one or more credit bureau reporting service(s). After internal collection efforts have failed to result in full payment, and in accordance with RCW 19.16.500, collection fees of up to 50% of the unpaid balance will be assessed to your account, and you are responsible for paying these fees together with all costs and expenses, including reasonable attorney's fees and court costs, necessary for the collection of your delinquent account.

Requests for future housing will be considered only if payments are current.

### **Eligibility for University Housing**

Eligibility to purchase a license from Housing Services, unless otherwise defined by the University, is limited to students of Washington State University. All apartment agreements are terminable by Housing Services when the occupant ceases to be in that status; the former student must follow all cancellation and termination procedures noted in this agreement.

Housing Services reserves the right to deny future housing assignments to occupants with a history of more than one delinquency letter, more than one notice to vacate, or cleaning and damage charges in excess of \$200. Housing Services reserves the right to deny future housing assignments to occupants with a history of violating University policies, the terms and conditions of this apartment agreement, and/or violating the WSU Community Standards for Students and other relevant provisions in the Washington Administrative Code.

### **Keys**

Apartment keys are the property of Housing Services and may not be duplicated or given to someone who is not an occupant of the apartment. All keys must be returned to the Housing Reservations Office by the date stated on the Notice of Termination, on the date that the apartment agreement is terminated, or on the date at the end of the agreement period. *Keys may*

*not be passed to a replacement roommate.* Failure to return the keys will result in the following nonrefundable key charges: \$75 for door, \$30 for mail, and \$20 for laundry room.

Occupants may not put their own locks on any door in an apartment. If locks are found, they will be removed and the occupant charged for the cost of such removal.

## **Lead-Based Paint**

The federal government has enacted legislation regarding the abatement and disclosure of lead-based paint in certain non-exempt housing. Pursuant to federal law (24 C.F.R. Part 35 and 40 C.F.R. Part 7450), beginning September 1996, Washington State University must disclose any known lead-based paint hazards upon the license of non-exempt residential property built prior to 1978. Housing Services is in compliance and aware of its responsibilities under 42 U.S.C. 4852(d).

## **Lead Warning Statement**

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, landlords must disclose the presence of known lead-based paint and distribute information on lead poisoning prevention. Housing Services is in compliance and aware of its responsibilities 42 U.S.C. 4852d.

### **University's Disclosure**

- A. Presence of lead-based paint or lead based paint hazards:
  - Known lead-based paint and/or lead-based paint hazards are present in Chief Joseph Village Building A. *One sample from a living room wall was above the acceptable limits. Another test was done on the same wall and the sample was well within the EPA limits.*
  - No known lead-based paint and/or lead-based paint hazards are present in the Columbia, Chinook, Chief Joseph Remodeled and Nez Perce Apartments.
- B. Records and reports available to occupants:
  - The University has provided occupants with all available records, reports, and [the link to the EPA publication pertaining to lead-based paint and/or lead-based paint hazards](#) in occupant's apartment.
  - With the exception of the one sample above, the University has no report or records pertaining to lead-based and/or lead-based paint hazards in University apartment complexes.

## **Noise Policy**

No boisterous noises or belligerent conduct will be permitted on or about the premises. Occupants and/or their guests who repeatedly violate policies will be required to vacate WSU Housing and pay all appropriate charges.

## **Pandemic**

I understand that the Director of Housing and Residence Life or designee may terminate my apartment privileges if I violate WSU policy and regulations or refuse to obey a valid health or safety-related directive of a Residence Life, Housing Services, or Dining Services staff member. I further understand that failure to comply with a valid federal, state, local, or University health or safety-related directive may also result in termination. This includes, without limitation, COVID-19 related health or safety directives, proclamations, or orders issued by the governor, Washington State Department of Health, the Whitman County Director of Public Health, or a Residence Life, Housing Services, or Auxiliary Facilities Services staff member. For the purposes of illustration and not limitation, such directives could include: limiting or eliminating guests or visitors to your apartment; agreeing to submit to bio security checks such as temperature checks; wearing protective equipment such as masks; and being directed to isolate or quarantine due to heightened COVID-19 risk factors such as recent travel from areas with high-rates of community transmission of COVID-19, experiencing symptoms of COVID-19, and known exposure to another individual with a confirmed or suspected case of COVID-19. The COVID-19 pandemic is an evolving situation and these directives may change at any time. In addition, the failure to comply with directives of University officials acting in performance of their duties and/or the law is a violation of the WSU Standards of Conduct for Students and may result in a referral for disciplinary action under these standards.

I understand that Housing Services reserves the right to reassign (permanently or temporarily) individuals at any time (and the right to use unassigned space in the apartment). This includes the right to reassign an individual based on COVID-19 related concerns, including suspected or confirmed cases, quarantining and isolation orders or guidance, or other official health guidance.

I understand that COVID-19, is a highly infectious, life-threatening disease declared by the World Health Organization to be a global pandemic. COVID-19's highly contagious nature means that contact with others, exposure by proximity, or contact with surfaces that have been exposed to the virus, can lead to infection. Additionally, individuals who may have been infected with COVID-19 may be asymptomatic for a period of time, or may never become symptomatic at all. Because of its highly contagious and sometimes "hidden" nature, it is currently very difficult to control the spread of COVID-19 or to determine whether, where, or how a specific individual may have been exposed to the disease. I further understand that minimizing the risk of COVID-19 infections is a shared responsibility. Although WSU is taking appropriate steps in accordance with established guidelines, the risk of contracting COVID-19 cannot be eliminated. By residing in University housing, I understand that this risk continues to exist and voluntarily choose to do so.

## **Parking**

All vehicles parked in Housing Services lots are required to have a current Housing Services parking permit on file with WSU Transportation Services. ***All vehicles*** -- including but not limited to automobiles, motorcycles, mopeds, trucks, vans, recreational vehicles, boat trailers, utility trailers, campers, and motor homes -- ***parked on the premises must be operable and have***

*valid current license plates. “Operable” means the vehicle must have air in the tires, have all major components intact, including windows and windshield. To receive a parking permit, occupants must have proof of ownership and a valid driver’s license.* Vehicles may not be used to store items on a permanent basis, which are not allowed in Housing Services. Any violation of the foregoing will subject the vehicle to being towed at the expense of the vehicle owner or operator.

All vehicles, including motorcycles and mopeds, must be parked in designated parking areas only. All vehicles are prohibited from lawns, walkways, stairwells, patios, and balconies. Vehicles parked in the non-parking areas will be ticketed. Housing Services reserves the right to impound (immobilize) any illegally parked vehicle at the owner’s expense. Housing Services assumes no responsibility in the event of damage resulting from the impounding or storage of any illegally parked vehicle.

No gasoline-powered vehicle or other combustible items can be parked or stored inside any Housing Services apartment or storage area. Vehicles found stored in such living areas will be impounded and stored at the owner’s expense.

## **Pets**

**No pets of any kind, including but not limited to animals, birds, or reptiles may be kept, fed or harbored on or about the premises. Fish and trained guide dog or service animals are the only exception to this policy.** The maximum size of containers that will be allowed is a 30-gallon aquarium tank. Housing Services will assess a fine of no less than \$100.00 fee for the first violation of the pet policy, which will be charged to the occupant’s account. Occupants will be responsible for all added cleaning charges. In addition, occupants found to have a pet in an apartment will be given notice to remove the pet and provide evidence of removal within a specified time, or vacate the premises in accordance with the apartment agreement. **Second violations of this policy will result in termination of the apartment agreement.**

*For the 2021-22 academic year, WSU Housing is piloting a pet program. WSU Housing has designated a small number of units in Nez Perce Village to be pet friendly. **Only these units are approved to have pets** and require a \$200 pet cleaning fee to be paid and a completed pet application to be submitted prior to the pet being approved. For more information, please consult the WSU Housing Pet Policy.*

## **Property/Liability**

No alterations or physical modifications may be made to the premises or furnishings. ***Occupants may not install any air conditioner or antenna, including satellite dishes or mini-satellite dishes, upon either the interior or exterior of the building including windows and balconies. Auxiliary Facilities Services may install them, for a fee, upon request.*** No destruction to the premises or furnishings is allowed. No condition that creates a fire hazard may be kept or permitted. No additional locks may be added to exterior or interior doors. ***Charcoal burners and other open flame cooking devices shall not be operated on combustible balconies or within 10 feet of combustible***

***construction. Washers and dryers will not be used or stored within an apartment; a fine of \$50 will be imposed if a washer or dryer is found in single student apartments.*** Designated units with Washer/Dryer hook-ups in Chief Joseph are permitted to have washers and dryers with approval from the Associate Director of Housing and/or their designee.

Smoking is prohibited in University apartments. Housing Services reserves the right to bill occupants who smoke in the apartment the costs associated with removing any odors, charcoal, tar, and nicotine residue, or any costs associated with replacing drapes, carpets, furniture, and painting walls.

The occupant must pay for costs of opening and repairing plumbing and other repairs that arise due to clogging or stoppage by any material, substance, or object placed in the plumbing, or freezing of pipes due to occupant negligence. ***Housing Services reserves the right to adjust the temperature setting in individual apartments when weather conditions warrant.***

For reasons of health and safety, nothing is to be thrown or hung out of any apartment window. Outside wires for Internet connections, radios, and television sets are not allowed. Individuals are not allowed to lean out of windows or sit on windowsills or remove screens. Yelling out of windows for non-emergency communication to others is prohibited.

Housing Services does not assume any liability for the loss, damage, or theft of any personal property; or for damage or injury resulting from explosion, fire, mechanical failure of water, steam, or gas lines, or from any defective wiring, or the negligence of any other occupants of the building; the occupant agrees to hold Housing Services harmless for any such damage to himself/herself or to any personal property on the premises, unless such loss or damage is due to the negligence of WSU or Housing Services. Occupants wishing to protect themselves from the possibility of such losses should obtain appropriate insurance.

Housing Services agrees to keep the roof, floor, walls, windows and mechanical infrastructure of the premises in a good state of repair.

If the University's performance of obligations under this apartment agreement is materially hampered, interrupted, or interfered with by reason of any fire, casualty, lockout, strike, labor conditions, unavoidable accident, riot, war, imminent risk of serious harm to community health and welfare or other acts of God, or by the enactment, issuance, or operation of any municipal, county, State, or federal law, ordinance or executive, administrative, or judicial regulation, order or decree, or by any local or national emergency, Housing Services may cancel this apartment agreement and refund to occupant(s) any unearned licensing fees already paid.

Housing Services will remove ***any personal property left on the premises*** by an occupant after the occupant vacates. Property left in a room with an estimated value of less than \$100 will be thrown away, recycled, or donated. Property with an estimated value of \$100 or greater will be documented and impounded. Occupants will be charged for the removal and impounding of property for labor on an hourly basis. Housing Services will attempt to contact occupants via their WSU e-mail about the impounded property. Occupants have 60 days to contact Housing Services to make arrangements for the return of their property by contacting an outside company

to arrange shipping, picking the property up in person, or agreeing to allow WSU to donate the property. After 60 days, if arrangements have not been made, the property will be considered abandoned and Housing Services will dispose of said property according to University policy. If property is to be shipped or picked up, the occupant has 60 days from the original date of impoundment to retrieve the property.

## **Regulations**

While on the premises, occupants and guests will abide by all local, state, and federal laws and WSU rules and regulations. An agent of Housing Services may enter the premises at any reasonable hour for purpose of inspection, to make repairs, or to show premises. To protect an occupant's privacy, notice of entry will be given whenever possible; however, Housing Services reserves the right to enter without notice for purpose of inspection or to make repairs when conditions warrant. *Housing Services will give advance notice when pest control procedures are going to take place. Occupant(s) agree(s) to allow pest control personnel to spray their apartment when it is deemed necessary by WSU. Occupants will also prepare the apartment for spraying before pest control personnel arrive.*
